Karachi, Pakistan | sumiayaaيمان@gmail.com

GitHub: github.com/sumiayaaيمان | LinkedIn: linkedin.com/in/sumiaya-aiman-9b1a20349

CAREER OBJECTIVE

Junior software developer with hands-on experience in responsive frontend development, PHP/Laravel, C#/ASP.NET, Flutter, and SQL databases. Seeking an entry-level role to build reliable, user-focused web and mobile applications.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript, jQuery, Bootstrap, Angular

Backend: PHP, Laravel, ASP.NET, C#

Mobile: Flutter, Dart

Databases: MySQL, SQL Server

Tools and Platforms: Git, GitHub, VS Code, Visual Studio, WordPress, Figma

Core Concepts: MVC, CRUD, REST API Integration, Authentication, UI/UX, SEO Basics, Responsive Design

PROFESSIONAL EXPERIENCE

Frontend Development Intern | Aykeys Digital Agency

Karachi, Pakistan | Sep 2025 - Nov 2025

- Completed a two-month frontend development internship, converting Figma designs into clean, responsive HTML, CSS, and JavaScript interfaces.
- Built pixel-accurate, cross-device layouts using Flexbox and CSS Grid.
- Collaborated with designers to maintain UI consistency and brand accuracy across projects.
- Improved page performance through code optimization and responsive media queries.
- Used Git and GitHub within real-world production workflows.
